ADDITIONAL INCLUSIONS (Not previously checked)  
(Specify) ANY APPLIANCES AS IS

ADDITIONAL EXCLUSIONS (Not previously checked)  
(Specify) SELLERS PERSONAL PROPERTY AND ALL DEBRIS

All property sold by this Agreement is called the "Property". No items shall be replaced or substituted without prior written approval of all parties.

**5. RENTAL/LEASE.**

(a) The Property ☐ is ☒ is not subject to any tenant rental/lease agreements. Seller will not alter any existing agreement nor enter into any new rental/lease agreement without Buyer's written consent and will assign all existing leases and transfer security deposits, and any other pre-paid items to Buyer at final settlement. Buyer agrees to cooperate with Seller's Rental Agency by signing the necessary documents **prior to completion of settlement** to facilitate the existing rentals after final settlement.

(b) The Property ☐ is ☒ is not subject to any third party rental/lease agreements including but not limited to oil or gas tank leases and/or security monitoring system lease agreements. Seller will not alter any existing agreement nor enter into any new rental/lease agreement without Buyer's written consent. Buyer and Seller agree to mutually cooperate with the transfer of any rental/lease agreements prior to final settlement.

**6. ☐ Yes ☒ No FINANCING CONTINGENCY.**

(a) Buyer's obligation to purchase the Property shall be contingent on Buyer's ability to obtain mortgage financing pursuant to the terms set forth below. Each of the terms below as applicable shall be deemed essential to this financing contingency and Buyer shall not make application for any mortgage financing the terms of which would differ or deviate from the requirements set forth below that would be adverse to Seller's interest without Seller's express prior written consent. The interest rate shall be at the prevailing rate. Should, after Buyer makes application consistent with the terms set forth below, and has diligently and in good faith pursued that application, any commitment for mortgage financing that may be issued deviate from one or more of such terms, and Buyer elects not to accept the financing thus offered, or the application is denied, Buyer may, at Buyer's sole election, void this Agreement, in which event all deposits will be returned to buyer. The terms of mortgage financing are the following:

Type of financing	<u>N/A</u>	Loan Amount:	<u>N/A</u>
Term in years	<u>N/A</u>	Maximum loan to value ratio:	<u>N/A</u>
Final date for receipt of mortgage commitment (the "Commitment Date"):	<u>N/A</u>		

(b) Buyer will make written application in a manner consistent with that provided for above within N/A calendar days of the effective date of this Agreement, and shall use their best efforts and diligently pursue such financing and promptly file any supplemental information, papers and/or other material that may be requested or required from time to time by the lender. If Buyer fails to make application as specified above, then Seller may declare Buyer in default of this Agreement by tendering written notice of that election to Buyer at any time prior to Buyer making application consistent with the terms set forth above. Should Seller elect to declare Buyer in default before such application is completed, Seller shall have available all the remedies set forth in this Agreement.

(c) Buyer shall provide Seller, or Seller's Designated Agent, with a copy of any loan commitment or denial within 3 calendar days of receipt. If a commitment consistent with the terms set forth above, or one that differs from those terms which is nonetheless acceptable to Buyer is obtained, and said commitment (1) imposes financial obligations upon the Seller which the Seller has not previously agreed to pay, and does not then agree to pay, and/or (2) is contingent upon the sale of any real or personal property owned by Buyer, then Seller may within 5 calendar days after receipt of a copy of the commitment, cancel this Agreement in writing, and all deposit money shall then be returned to Buyer in accordance with provisions of this Agreement. If such notice is not given, Seller shall be deemed to have accepted said condition(s).

(d) If a written mortgage commitment is not obtained by the Commitment Date, Seller shall from that time forward have the right to void this Agreement by tendering written notice of that election to Buyer or Buyer's Designated Agent provided, however, that if written mortgage commitment is received after the Commitment Date and prior to any such written notice of termination, then this Agreement shall remain in full force and effect, and Seller's right to void this Agreement for failure to meet the Commitment Date shall be deemed waived. If Seller elects to terminate as set forth in this paragraph, and Buyer is not then otherwise in default of the terms of this Agreement, all deposit money shall be returned to Buyer in accordance with the terms of this Agreement. If Buyer at that time claims that the mortgage application resulted in a denial of that application, and has not provided a copy of that denial in a timely fashion as set forth in paragraph (c) above, the failure to provide a copy of that denial as required herein shall be deemed a default by the Buyer.

**7. SETTLEMENT** Unless otherwise mutually agreed, final settlement shall be held in NEW CASTLE County, Delaware on SEE PARAGRAPH 32 or before if mutually agreed upon, at which time possession shall be given and Seller shall deliver all keys in Seller's possession or under Seller's control. It is expressly agreed if a longer time is necessary to secure a survey, or to prepare the necessary legal and financial settlement documents, the date of settlement shall be extended for a reasonable time to effect these conditions.

**8. TIME IS OF THE ESSENCE.** Other than those limited conditions related to settlement as noted in Paragraph 7 above, time is of the essence in this Agreement. Time is of the essence means that the dates and time frames agreed by the parties must be met. Failure to meet stated dates or time frames may result in waiver of contractual rights or default under the terms of this Agreement.

**9. CONVEYANCE.** The Seller acknowledges that the Property is to be conveyed (check one) ☒ **IN FEE SIMPLE;** ☐ **CO-OP OWNERSHIP;** or ☐ **LEASEHOLD SUBJECT TO AN ANNUAL GROUND RENT**, presently in the amount of \$\_\_\_\_\_

**10. DISBURSEMENT OF DEPOSITS** The parties to this Agreement agree that deposit monies held on account as specified herein shall only be disbursed under one of the following conditions:

- A. Upon final settlement hereunder; OR
- B. Upon a release being signed by all parties to the transaction authorizing disposition of these funds; OR
- C. Upon the filing of an interpleader action in the proper court, thereby causing these funds to be deposited with the court; OR
- D. At such time as one of the parties to the transaction files suit and the court orders the disbursement of these funds.

Buyer and Seller agree that upon payment of deposit monies into court, neither Buyer nor Seller shall have any further right, claim, demand or action against Escrow Broker regarding the return or disposition of the deposit monies, and Buyer and Seller, jointly and severally, shall indemnify and hold Broker harmless from any and all such rights, claims, demands or actions. In the event of a dispute, and after no less than fifteen (15) days advance notice delivered by certified mail to the Buyer and Seller at their addresses identified in this Agreement of Sale, should Broker elect to file an action of interpleader as herein provided, Buyer and Seller further agree and hereby expressly and irrevocably authorize Broker to deduct from the Deposit all costs incurred by Broker in the filing and maintenance of such action of interpleader including but not limited to filing fees, court costs, service of process fees and attorneys' fees, provided that the amount deducted shall not exceed the lesser of Five Hundred Dollars (\$500) or the amount of the Deposit held by Broker. All such fees and costs authorized herein to be deducted may be deducted by Broker from the Deposit prior to paying the balance of the Deposit to the court. Buyer and Seller further agree and expressly declare that all such fees and costs so deducted shall be the exclusive property of Broker. If the amount deducted by Broker is less than the total of all of the costs incurred by Broker in filing and maintaining the interpleader action, then Buyer and Seller jointly, and severally, agree to reimburse Broker for all such excess costs upon the conclusion of the interpleader action.

**11. TRANSFER TAXES; PRO-RATIONS; HEATING FUEL.** Applicable transfer taxes, transfer fees, and/or motor vehicle document fees shall be paid one-half by Buyer and one-half by Seller, except that any exemptions shall benefit only the exempt party. Taxes, special assessments, ground rent, water, sewer, electric and other lienable charges imposed by the State of Delaware, any political subdivision thereof, any school district, neighborhood association and/or condominium common expenses shall be apportioned pro-rata at the time of final settlement, as shall the rents and pre-paid operating expenses if Property is sold subject to a lease, and all security deposits shall be delivered to Buyer at time of settlement. Buyer shall pay Seller at settlement for any heating fuel purchased by Seller and left on Property. Buyer is advised that some propane tanks located on residential properties are leased and ownership of the tank may not be transferred to Buyer as part of this agreement.

☐ Seller ☒ Buyer shall pay for deed preparation. Buyer shall pay all other customary settlement charges and lending costs including survey.

**12. TITLE.** Title is to be good and marketable either fee simple absolute conveyed by Deed of Special Warranty or Leasehold Estate conveyed by assignment of the existing lease, as applicable, insurable for both owners and lenders coverage at regular rates by a title insurer duly licensed to issue title insurance in the State of Delaware, clear of any liens and encumbrances, except restrictions of record and existing easements generally applicable to properties in the immediate neighborhood or the subdivision in which the Property is located. Title shall also be delivered without encroachments or violations of restrictions, zoning or subdivision regulations unless disclosed by Seller on the Seller's Disclosure of Real Property Condition Report. If title objections are raised, Seller shall have 30 days from the date Seller is notified to cure the same, and the settlement date shall be extended accordingly. If objections are not satisfied by the extended settlement date, this Agreement shall terminate and all deposit monies shall be refunded to Buyer and all reasonable legal, loan, survey, and inspection fees incurred by Buyer will be paid by Seller, unless Buyer elects to waive the unsatisfied objections and complete the purchase. Seller may use the purchase price payable to Seller at settlement to discharge liens and encumbrances of record in fixed and ascertainable amounts.

**13. NOTICE/DELIVERY OF DOCUMENTS.** In this paragraph, the word "Agreement" includes offers, counteroffers, addenda or any other notice or agreement between the parties. All agreements shall be in writing. Verbal, electronic or written communication between the parties or the parties' Designated Agent(s) that this Agreement has been signed and ratified shall be binding on all parties and such notice shall constitute delivery. Written communication shall be effective when sent. A facsimile, electronic record with electronic signature or photocopy of a signed Agreement shall constitute an original. Buyer or Seller, if there be more than one, expressly agree that notice to one shall be notice to all.

**14. NO RECORDING.** This Agreement shall not be recorded or filed in any place of public record. If Buyer does record this Agreement, or permit this Agreement to be recorded, Seller may elect to treat such act as a default and have all the remedies provided herein.

**15. FAIR HOUSING.** All Parties agree to comply with all Fair Housing and Civil Rights laws in the purchase and sale of the Property and further agree specifically not to discriminate against any person because of RACE, COLOR, NATIONAL ORIGIN, RELIGION, CREED, SEX, MARITAL STATUS, FAMILIAL STATUS, AGE, SEXUAL ORIENTATION, GENDER IDENTITY, and/or HANDICAP/DISABILITY.

**16. FIRPTA.** Section 1445 of the United States Internal Revenue Code of 1986 provides that a Buyer of residential real property located in the United States must withhold federal income taxes from the payment of the purchase price if: (a) the purchase price exceeds three hundred thousand dollars (\$300,000.00); and (b) the Seller is a foreign person. Unless otherwise stated in an addendum attached hereto, if the purchase price is in excess of three hundred thousand dollars (\$300,000.00), Seller represents that Seller is not a nonresident alien, foreign corporation, foreign partnership, foreign trust or foreign estate (as those are defined by the Internal Revenue Code and applicable regulations) and agrees to execute an affidavit to this effect at time of settlement.

**17. HOMEOWNERS WARRANTY.** Buyer and Seller are advised that Homeowners Warranties are available. A Homeowners Warranty is only part of this Agreement if Buyer or Seller agrees to purchase a warranty. Buyer and Seller are advised to request information about what is included in the warranty and what is excluded (for example, preexisting conditions) and the amount of the deductible.

**18. RISK OF LOSS.** The risk of loss or damage to the Property by fire, wind storm or other casualty until settlement shall be borne by Seller. If any part of the property is damaged or destroyed by fire or other casualty loss, Seller shall restore the same to its previous condition as soon as reasonably possible, but in any event by settlement date. If Seller is unable to do so, Buyer may terminate this Agreement and the deposit monies shall be refunded to Buyer in accordance with the terms of this Agreement.

**19. CONDITION OF PROPERTY; INSPECTIONS.** Seller shall deliver the Property in substantially the same physical condition as of the date of this Agreement unless repairs are agreed to as part of the inspection processes explained in paragraphs 20, 21 and 22. However, the electrical, plumbing, wastewater/septic system, well, heating, air conditioning, and any other electro-mechanical systems, appliances and equipment included in this Agreement shall be in operating condition at time of final settlement unless otherwise disclosed in the Seller's Disclosure of Real Property Condition Report Form or elsewhere in this Agreement of Sale. Seller's responsibility for these items shall expire at the time of settlement.

Seller shall not be obligated to repair any defects fully disclosed in the Seller's Disclosure of Real Property Condition Report or defects otherwise accepted by Buyer in this Agreement or as a result of the inspections. However, specific actions required by this Agreement or agreed to by addendum resulting from the inspections, such as "repair defective electric outlet in the kitchen," will remain part of this Agreement.

Any failures of the Property occurring between the time of final acceptance and settlement shall be repaired by Seller, at Seller's expense, prior to settlement. Seller is responsible for insuring that utilities are turned on during inspections, appraisals and pre-settlement inspection. Seller agrees to permit access to Property by any authorized appraiser, inspector or contractor as required by the lender or by other terms of this Agreement. Property shall be "broom clean" and free of debris at time of final settlement or occupancy (whichever occurs first).

Buyer shall have the responsibility of scheduling a pre-settlement inspection of Property within 48 hours prior to settlement to verify that Property is in the condition required by this Agreement including conditions disclosed and accepted by Buyer elsewhere in this Agreement or by addendum.

Except as expressly contained herein, no other warranties or representations have been made by Seller or relied upon by the Buyer, and upon settlement all the Seller's obligations for condition of the Property under this Agreement shall expire. It is understood and agreed by the parties hereto the Broker(s)/Salesperson(s) assumes no responsibility for defects concerning the physical condition of the Property described herein and all improvements thereon. Buyer represents that they have made a satisfactory inspection of the Property and agrees to accept the Property in its present condition except as otherwise provided in this Agreement.

**20. ☐ Yes ☒ No WOOD DESTROYING INSECT INSPECTION REPORT.**

Buyer shall procure, at Buyer's expense (unless prohibited by the type of mortgage financing, in which case it shall be procured by the Buyer at Seller's expense), a wood destroying insect inspection report (WDI) from a company holding a Pesticide Business License or an individual licensed by the Department of Agriculture as a Commercial Pesticide Applicator (Restricted Use) Category 7B Wood Destroying Pest Control (WDI Inspector).

The inspection shall include the house, attached or detached garage, and improvements attached to the house or garage, but not other detached items on the Property, such as (but not limited to) sheds, fences, wood piles, mulch beds, etc., unless such items are specifically listed herein.

The Buyer shall deliver to Seller a copy of the WDI report no later than \_\_\_\_\_ (date).

- (a) If there is no active infestation, prior infestation, prior treatment or damage from infestation, then no further action is needed by either party.

Seller's Initials \_\_\_\_\_

Buyer's Initials \_\_\_\_\_

(b) If the report indicates that there is any active infestation, prior infestation, prior treatment or damage from infestation, then Buyer may obtain an inspection to determine if the structural integrity of the property has been impaired and provide an estimate for treatment and repairs. The party who pays for the pest inspection shall pay for the structural inspection ("the first structural report") and estimate. If the first structural report states that the structural integrity has not been impaired, no repairs by the Seller shall be required.

(c) If the cost to treat and repair damage exceeds 10% of the Purchase Price, Buyer may declare this Agreement null and void, in which case the deposit shall be returned to Buyer in accordance with provisions in this Agreement, and each party shall be relieved of further liability to the other.

(d) If (c) does not apply, then Seller shall have the option of treating the infestation and having any structural impairment corrected by licensed contractors, at Seller's expense prior to settlement. Seller shall, within 5 calendar days, notify buyer in writing whether or not Seller will exercise its option to do any required work. If Seller elects to do any required work, Seller shall deliver to Buyer a written report prepared by a WDI Inspector/Licensed contractor itemizing the treatment/repairs to be made. After the treatment/repairs have been completed, Seller shall provide Buyer with a written statement from the licensed contractor certifying that the repairs required by the first structural report have been completed and the integrity of those areas is no longer structurally impaired. This report shall be provided by settlement. Buyer may, at Buyer's expense, hire a representative to be at the Property while the Seller's contractor makes repairs. If Seller elects not to correct or fails to provide written notice within 5 calendar days, Buyer shall have the option of proceeding to settlement without reduction of the purchase price or declaring this agreement null and void in writing and being repaid all deposit money. Written notice of Buyer's election to declare this agreement null and void must be delivered to Seller within 5 calendar days after receiving Seller's written notice or Seller's failure to give written notice.

(e) If Buyer does not declare this agreement null and void, there shall be no liability of Seller for the infestation or damage, no obligation of Seller to correct, no reduction of the purchase price, no credit to Buyer at settlement for the cost of correction or re-inspection and Buyer shall be responsible for any correction or re-inspection required by Buyer's lender. If this paragraph applies, Buyer purchases the Property in 'as is' condition and waives all claims under this paragraph against the Seller, the Broker(s) and Salesperson(s), for any damage to the structure by wood destroying insects.

21. ☐ Yes ☒ No **HOME INSPECTION CONTINGENCY.** (If neither is checked, this contingency is waived.)

Written report of major defects, any subsequent inspections, and request for repairs, if any, due to Seller by \_\_\_\_\_ (date)

Written response from Seller due to Buyer by \_\_\_\_\_ (date)

Written negotiations (if any) to be completed by \_\_\_\_\_ (date)

Other systems or items to be inspected by the home inspection company \_\_\_\_\_

If buyer is not purchasing a newly constructed home, the Property may have minor problems associated with a previously owned property. A major defect is any deficiency that causes an item to perform in an unsafe manner or that prevents the item from performing its intended function. The inspection shall be limited to the house, attached or detached garage(s), improvements attached to the house or garage(s) and the electrical, plumbing, wastewater/septic system, well, heating, air conditioning, and any other electro-mechanical systems, appliances and equipment included in this sale.

If "Yes" is indicated above, this Agreement is contingent upon Buyer obtaining a home inspection of the Property and written report (the Inspection), by a home inspection company and/or by a licensed contractor/professional of Buyer's choice at Buyer's expense. If Buyer does not choose to obtain an inspection, or if major defects are not reported to the Seller by date specified, then Buyer has waived the Home Inspection contingency.

If the home inspection or any subsequent inspections discovers major defects, Buyer shall provide Seller with a written request for repairs and a copy of the relevant portions of the inspection report. Any subsequent inspections necessitated by the initial inspection shall be at the direction and expense of Buyer, (unless requested by Seller for negotiations which shall then be at the direction and expense of Seller), performed by a licensed contractor/professional, and completed within the time frames provided herein. The Broker(s) shall not be responsible for determining the necessity of additional inspections. Buyer and Seller agree that Broker(s) does not guarantee, and will not be held responsible for, any person or company performing the inspection or correction of any condition pursuant to the terms of this Agreement and shall not be responsible for the selection of any person or company chosen to perform an inspection or correct any condition.

The request for repairs must be made by the deadline specified. Seller shall then, in writing:

- (a) Agree to correct any major defects at Seller's sole cost and, if necessary, by a licensed contractor/professional. All required permits must be secured by Seller. Written proof of completion shall be supplied to buyers at least two days prior to settlement; OR
- (b) Refuse to correct the major defects; OR
- (c) Enter into a mutually agreeable written agreement with Buyer providing for particular repairs to the Property and/or credit to Buyer at Settlement if this is acceptable to the mortgage lender.

If the Seller refuses to correct the major defects, fails to respond in writing to Buyer's request, or an agreement about such repairs is not negotiated, then Buyer may notify Seller in writing, no later than one day after the date written negotiations are to be completed as specified above, of Buyer's intent to purchase the Property in its present condition or this Agreement shall be null and void and all deposit money shall be returned to Buyer in accordance with the terms of this Agreement.

Seller's Initials \_\_\_\_\_ Buyer's Initials \_\_\_\_\_

It is understood that general statements as to the condition of the Property contained in this Agreement, such as "electrical system shall be in working order at the time of settlement," will not obligate Seller to repair items noted in the Home Inspection Report unless Seller agrees to make repairs according to the terms of the Home Inspection paragraph.

Seller will have all items and systems covered by this inspection operative at the time of inspection (including fuels). Seller shall not be obligated to repair any defects fully disclosed in the Seller's Disclosure of Real Property Condition Report or defects otherwise accepted by Buyer in this Agreement. However, specific actions required by this Agreement, such as "repair defective electric outlet in the kitchen," will remain part of this Agreement.

**22. OTHER INSPECTIONS.** The purpose of these inspections is to independently evaluate the condition of the items and identify major defects, if any. A major defect is any deficiency in an item that causes the item to perform in an unsafe manner or that prevents the item from performing its intended function. Buyer must object to any major defect identified by an inspection report by the date the report is due to Seller as listed below, or Buyer is deemed to have accepted Property with the defect and the contingency is automatically considered to be satisfied. If this Agreement is cancelled as a result of the election of any of the options below, all parties agree to immediately execute the proper documentation to acknowledge termination of this Agreement of Sale. There shall then be no further obligation or liability of either party, broker or salespeople, and all monies on deposit shall be returned to Buyer in accordance with the terms of this Agreement. Buyer and Seller agree that Broker(s)/Agent(s) does not guarantee, and will not be held responsible for, any person or company performing the inspection or correction of any condition pursuant to the terms of this Agreement and will not be responsible for the selection of any person or company chosen to perform an inspection or correct any condition. Each included contingency is subject to the terms and remedies described herein.

**22a. ON-SITE WASTEWATER/SEPTIC SYSTEM.**

For all properties utilizing an on-site wastewater/septic system that are sold or otherwise transferred to other ownership, the Seller shall have the system pumped out and inspected by a Class F and Class H licensee, respectively, prior to completion of the sale. If an inspection has occurred within the previous 36 months and the Seller can provide proof of the pump out and inspection and the system is not a cesspool or seepage pit, then the inspections will suffice. It will be the Seller's sole cost and responsibility to provide the Buyer with the report (Class F and Class H) indicating that the system is in working order with no major defects by N/A (date). If the Seller of an individual on-site wastewater/septic system provides proof of a licensed operator or has a service contract with a certified service provider then the Seller shall provide evidence of same to Buyer no later than the date specified herein and these requirements shall have been met.

**22b. N/A On-Site Wastewater/Septic Contingency (Buyer's Option).** (Only a part of this Agreement if marked yes or checked)

Notwithstanding the provisions of 22a herein, the Buyer may elect to have their own on-site wastewater/septic system inspection by a Class H system inspector (see list at [www.dnrec.delaware.gov](http://www.dnrec.delaware.gov)) of Buyer's choice and at Buyer's expense, to verify that the on-site wastewater/septic system is in working order with no major defects. This shall be in addition to 22a herein and shall not relieve the Seller from the provisions of 22a. In such event Buyer must provide Seller with a copy of the written report describing any major defect by N/A (date).

**22c. N/A Well Water Contingency.** (Only a part of this Agreement if marked yes or checked)

Buyer may have the water inspected by a water testing company of Buyer's choice, at Buyer's expense, to verify that the well is in working order with no major defects, and there is an absence of total coliform bacteria, and meets EPA standards for nitrate, chloride, and lead.
